

## SALES ESSENTIALS

# Pump

**Designer:** Kutarq Studio

**Founder:** Jordi López Aguiló

**Country:** Spain

**Also working for:** Hay, Bolia, Umbra, Other

Launched in 2019

### Inspired by

- Hot air balloons and their floating character

### Design

- Metal base lifts the shade from the ground
- Oblong shade floats in the air
- Contrasted materials

### Features

- Soft opal glass for a pleasant, ambient light

### Ideal for

- Its low height makes it ideal for shelving, a desk or the window sill

### Product text

Pump is inspired by hot air balloons and the idea of a luminaire lifting off the ground. Floating in the air. The light tubular steel structure symbolises the propellant of a rocket, accentuating the effect of levitation of the shade.

With its soft opal glass, Pump table lamp is ideal for smaller spots and setups where a pleasant light is needed. Whether that be on the desk, in the shelving system or on the window ledge.
