CARE GUIDE — METALS

HOW TO CLEAN / POLISH

POWDER COATED IRON / STEEL / ALUMINIUM

To get rid of dirt and dust, mix a mild detergent with warm water. Dip a lint free cloth into the water & wipe the item down with the cloth. If necessary, wipe the item dry with a soft dry cloth.

(Avoid scraping or rubbing the powder coating with an abrasive cloth that could damage or remove the coating from the surface)

CARE GUIDE — TEXTILES

HOW TO CLEAN / POLISH

BOUCLÉ / GRAIN FABRIC

In case of stains, immediately dab the area with a white cotton cloth to prevent the stain to penetrate the fibers. Then carefully dab the stain in a white cotton cloth with lukewarm water containing a neutral detergent. If the stain has not disappeared, a professional should clean the fabric. Never clean with chemicals.

(Note that colours may fade if the fabric is exposed to strong sunlight for a longer period of time)
(Avoid rubbing hardly on the stain or scraping the stain with an abrasive cloth that could damage the fabric)

STORYTELLING

ANGUI BAR CHAIR / BY AYTM DESIGN TEAM

Taking a moment to relax, and resting your legs for a little while, the ANGUI bar chair is the perfect place to do so. Use it in the hallway, in the bedroom or wherever you need a place to rest. The ANGUI family is a beautiful range of different furniture, including benches, chairs, shelves and mirrors in a wide variety of colours and sizes. The pipe styled frame and tone in tone creates sophisticated pieces that will enhance and contribute to your own personal style.

THE ANGUI FAMILY

Let the alluring curves of the ANGUI family wrap around and dominate your space. The shapes of ANGUI are created to playfully experiment with the organic and graceful movements of a snake.

The soft outlines effortlessly sparks up the atmosphere in a room with its uniqueness
– just like a snake effortlessly passes through any terrain.
