

New Works Cabinet Support

Knut Bendik Humlevik

In the realm of storage solutions, the New Works Cabinet Series articulates the art of subtle storage evolution. This thoughtfully curated ensemble of cabinets is designed to seamlessly integrate and harmonise with your existing shelving system or take centre stage on your walls, hanging on their own, serving as a sophisticated focal. The cabinets, adorned with either doors or drawers, are available in low and tall versions, effortlessly hiding away your essentials with minimalist handles that maintain the system's sleek appeal. Choose from black, white, oak, black-stained ash, or walnut finishes to resonate with the series' timeless aesthetic.

Safety Precautions

The surface of the metal supports is powder coated and should be handled with care to avoid scratches. Dropping the supports may cause injury to yourself or others, as well as damage to floors and objects.

Cleaning

Wipe the product with a soft dry or moist cloth. Do not use any abrasive cleaning tools, and never use strong cleaning agents such as household glass cleaner, white spirit or turpentine.
