Please read these instructions carefully and retain them for future reference to ensure that the product is used correctly. For your own safety, please study each step of this instruction manual first. &Tradition is not responsible for any faults or damages caused by not following these instructions correctly.

Contents

A Votive candleholder

Tools needed

- Pencil
- Electric drill
- Screwdriver
- Plug & screw

Safety precautions

- Keep product well out of children's reach
- The candleholder is only intended for indoor use.

Cleaning instructions

Wipe the candleholder with a soft, damp sponge or cloth. Do not use any abrasive cleaning tools such as steel wool, scouring sponges or stiff brushes. Never use strong cleaning agents such as white spirit, turpentine, household glass cleaner or cellulose thinners on the candleholder. To remove wax, use hot water and wipe immediately with a soft cloth.

Step 1

Mark the desired placement of the candleholder with a pencil.

Step 2

Drill a hole on the appointed mark and insert a plug.

Step 3

Install a screw in the plug.

Step 4

Hang the candleholder on the screw, by inserting the head of the screw into the circle hole on the back of the candleholder. Slide the candleholder down so the screw is placed in the narrow part of the hole.
