### DESCRIPTION

Bill Curry's Obello Portable Lamp has become an icon of the GUBI Collection, embodying the optimism of the Space Age in a mushroom silhouette. The glossy edition introduces three pastel colorways – Mellow Yellow, Powder Pink, and Pearl White – crafted in opal mouth-blown glass with a luminous lacquered finish. A dense array of LEDs lights the lamp evenly from stem to dome, casting a soft ambience across three brightness stages, while a high-capacity lithium battery provides long-lasting light and can be recharged with ease. Durable, rechargeable, and splash-proof, Obello transitions easily between indoors and outdoors – a joyful companion that moves with you.
