Mass Coffee Table High

Lim + Lu

Mass Coffee Table High is an extension to the Mass series and shares its signature boxy lines. The coffee table is perfect for those who wish for a taller and slightly slimmer table in the same simple design as the original Mass Coffee Table. Like the rest of this series a beautiful walnut veneer takes centre stage, providing a warm and steady base for the items you choose to place on it. Use the coffee table on its own or as a pair in larger lounge environments.
