POUF CREATIVE SEATING

New materials and colours expand the versatile series of interior accessories designed by Cecilie Manz.

CREATIVE SEATING

An extra seat for unexpected guests, a footrest for a lounge chair or a side table to hold a tray of treats – the beauty of Pouf lies in its versatility.

Designed by Cecilie Manz as a functional yet decorative interior accessory, it is elegant in its simplicity and flexible in its use.

Offered in two sizes and a range of colours and material options, including new butter-soft buffed leather and Twill Weave textile with tactile natural linen canvas, Pouf fits seamlessly into any setting and in any combination, merging visual and textural appeal with a truly practical function.
