ASSEMBLY GUIDE

WARNING: Always call a professional/qualified electrician for installation of the lamp. Switch off the main electric supply before starting installation of the lamp.

If the external flexible cable or cord of this luminaire is damaged, it must be replaced by a qualified person in order to avoid a hazard.

Make sure not to screw the lampshade on too tightly, as this may cause damage to the glass.

Bulb is not included.

Screws and plugs for the ceiling are not included.
