Rise wall lamp hardwired grey

A friendly appearance

Rise is the uncomplicated and versatile wall lamp you have always been looking for. Strict lines are gently softened by stumpy sections, creating an attractive blend of a minimalistic design and a friendly appearance. With Rise, designer Marianne Andersen has created a wall lamp that is appealing in all its simplicity. Simplicity is precisely what has been a specific goal throughout the design process.

Rise wall lamp white

Product Facts EU

Description

Rise is the uncomplicated and versatile wall lamp you have always been looking for. Strict lines are gently softened by stumpy sections, creating an attractive blend of a minimalistic design and a friendly appearance. With Rise, designer Marianne Andersen has created a wall lamp that is appealing in all its simplicity.

Design

Marianne Andersen, 2016

Material

Powder coated metal / Lacquered ash

Construction

Rise consists of a base and a cylindrical shade held together by a turning joint, making it 350 degrees rotatable with a small integrated handle. The shade is white on the inside with holes on top for an optimal light effect. The lamp is simply screwed on the wall and slide together. Rise is available in two versions; as plug-in (using the included power cord) or hardwired with a switch (installed directly to the power outlet). Assembly manual included. ►

Rise wall lamp

► Cord

Rise wall lamp plug-in version:
2 m textile cord with switch, white color.

Dimmable function

No

Voltage

220-240 V

Frequency

50/60 Hz

Ip rating

IP20

Classification

Class II

Socket

E14

Max load

40 W

Light source - recommended

Art. No.: 504051, LED E14 EU

Power: 2 W

CCT: 2700 K

Output: 160 lm

Life Span: 15 000 h

CRI: ~ 80

General standards & certificates

EN 60598-2-1:1989

EN 60598-1: 2015
