

## Bukowski Chair w. French Cane

Steven Bukowski

An alternation between slim and solid. Extreme proportions combined with an elegant lightness. These are the characteristics of the new version of the Bukowski Chair with seat in French cane. Centered in the sculptural construction, the solid frame now meets an airy wicker, which lends the chair a new delicate expression. The Bukowski Chair can stand elegantly around the dining table or as a sculptural object in its own presence.

### Specifications

**Product Name**

Bukowski Chair w. French Cane
