SOFT EDGE 60 CHAIR

DESIGN BY ISKOS-BERLIN, 2016

Iskos-Berlin's Soft Edge series features an organically shaped seat and back seat, blending strong curves with extreme lightness to create a three-dimensionality that is not normally possible with 2D plywood. The result is a minimalistic design that optimises human-centric comfort for constant shifting and movement. With its wooden seat, back and base in a range of different finishes, Soft Edge 60 creates a seamless, unified expression that offers uncluttered aesthetics, stability and functionality. Its strength and stackability make it ideal for using in private, public and contract environments – from homes to corporate spaces and cafés. Also available with upholstered seat.

HIGHLIGHTS

- Part of a family of dining chairs, bar stools, stools and lounge chairs with steel base or solid oak legs or polypropylene seat and back with steel base.
- 3-dimensional form based on the latest developments in moulded plywood technique using ordinary plywood.
- Variety of seat and base colours and finishes.
- Available with seat upholstery in selected fabrics and leathers.
- Stackable up to 6 pcs. without upholstery.
- Suitable for a wide variety of private and public environments.
- Qualified for contract use.

DIMENSIONS

WIDTH 51,5 CM

DEPTH 52,5 CM

HEIGHT 79 CM

SEAT HEIGHT 47,5 CM

SEAT WIDTH 46 CM

MATERIALS

SEAT AND BACK

Moulded plywood seat and back with inner veneer in beech, top and bottom veneer in oak.

SEAT W. UPHOLSTERY

10 mm PU foam.

BASE

Solid oak legs.

GLIDER

Plastic. Standard on all variants. Suitable for all floorings that are not too sensitive.

SUSTAINABILITY

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.
