ASSEMBLY INSTRUCTIONS

for

Tropique Dining Chair

CARE INSTRUCTIONS

Daily cleaning of the frame can be done by wiping the frame with a clean dry cloth. Should the surface of the frame need more attention this can be cleaned with water and a light detergent or soap applied with a damp cloth. Wipe after with a clean dry cloth. Avoid any abrasive materials.

The seat and cover of the seat cushion can be washed by hand or a gentle machine cycle, up to a maximum of 30 degrees Celsius. The foam backrest and inner foam of the cushion should not be washed, but stains can be removed with a damp cloth.
Do not wring out, tumble dry or iron the upholstery.

1.

- a) Insert the metal rods into both sides of the seat upholstery.
- b) Place the fabric around the frame as indicated in the illustration below.

a)

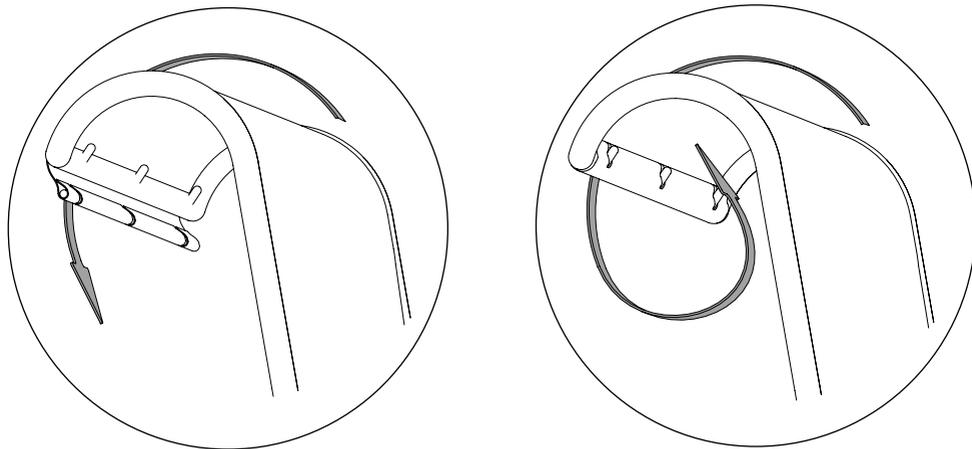

b)

2.

Fold the fabric around the edge of the armrest and fix the metal rod behind the metal pins. Make sure the metal rod is fixed securely behind all metal pins before sitting on the chair.

* Do not use any sharp tools to assemble the chair, as this may cause scratching of the finished surface.

3.

Place the backrest cover on the frame and close the zipper underneath. Finally place the seat cushion on the seat.
