

APLAT TABLE LAMP COLLECTION

- GENERAL INFORMATION -

- CARE & MAINTENANCE -

TECHNICAL DATA

This product is fitted with an E14 or an E27 bulb fitting, depending on the lamp's size.
HAY recommends using this product only with LED bulbs.

FITTING TYPE | LED E14 (Aplat 440) / LED E27 (Aplat 660)
POWER (W) | MAX. 8W (E14) / 13W (E27)
COLOUR TEMPERATURE | Warm white

HAY will not accept any responsibility for any accidents, injuries or damages that occur due to the use of incorrect bulbs.

ATTENTION

Ensure that the power supply to the circuit has clearly been turned OFF before installing the product. In some countries, electrical installation must be carried out by authorised electricians/contractors; please check with your local authority for guidance.

The product must not be modified in any way. HAY accepts no responsibility for any products that have been modified or tampered with. If the external flexible cable or cord of this luminaire is damaged, it should be exclusively replaced by a qualified electrician in order to avoid an electrical hazard.

This lamp is designed for indoor use only

- The Aplat Table Lamp Collection is designed to be used with LED based light sources only.
- Halogen or incandescent light sources should never be used, as they may cause damage to the lamp.

Do not use wet or damp cloths for cleaning and maintaining the shade. Please use a dry, lint-free cloth or duster to remove any dirt. Ensure that the power supply has been turned OFF before cleaning the product.

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your lighting.
