SERIF RELIEF

The Serif Relief is made by hand and produced from recycled paperpulp, small differences in shape and color may occur.

Be sure to use the correct dowels and screws or nails when mounting the wall sculpture to the wall.

Remove dust particle and other dirt with a dry cloth only. Do not use any water or other cleaning detergent as the paperpulp will absorb any liquid immediately and may deform the surface in shape or colour.

Keep away from wet areas.
