DROP WALL LAMP BULP

With its decorative charm, the Drop wall lamp is an extension of the Drop chandelier bulb collection. The lamp is characterized by the same lighting fixtures and circular opal glass lampshades as the chandelier.

The lamps detailed suspension is inspired by industrial and maritime references, and beautifully crafted in plated metal subsequent hand brushed.

Drop wall lamp elegantly brightens the room and becomes a sculptural object on the wall. The dimmable lighting can be adjusted with the button, elegantly positioned on the lamp base.
