# Ball Glass Table

Designed by Benny Frandsen & FRANDSEN Design Studio

Ball Glass Table translates Benny Frandsen's iconic 1968 design into a refined, contemporary table lamp. The familiar spherical shade is complemented by a perforated metal top that reconnects the lamp to the character of the original Ball, while the smooth glass surface creates a calm, atmospheric glow. With its balanced proportions and sculptural simplicity, Ball Glass Table is a timeless continuation of one of Frandsen's most enduring design icons.
