

T7

Design: Ditlev Karsten

ANDERSEN
FURNITURE SINCE 1916

PURE SATISFACTION

Ditlev Karsten has designed a beautiful, modern classic dining table – T7. Enjoy the table's soft style and expression. The tabletop is made of solid coloured white laminate or black Fenix laminate. Choose between legs in solid oak or black lacquered.

The design of T7 lets the materials speak for themselves. Practical and elegant.

The table can be extended with extra leaves, which are easy to insert to provide extra room at the table.

95 x 170 x H72,5 cm
(extension for 3 leaves)

95 x 220 x H72,5 cm
(extension for 4 leaves)

Extension leaves: 50 x 95 cm
