Start på et plant og jævnt underlag. Brug eventuelt pap fra emballagen som underlag. Det er muligt at samle sengen alene, men vi anbefaler at være to personer.

Vær opmærksom på, at når sengen er i løse dele, er den meget udsat for lakskader på hjørner og kanter. Man skal derfor være meget forsigtig, når sengen samles.

It is a good idea to assemble the bed on a smooth and even surface. Use the cardboard from the packaging as underlay. It is possible for one person to assemble the bed however we recommend that you are two persons.

Be aware that the bed is very exposed to lacquer damage on the corners and edges due to all the different parts. Therefore you must be very careful when assembling the bed.

Fangen Sie auf eine ebene und gerade Unterlage an. Die Pappe von der Verpackung können Sie eventuell als Unterlage benutzen.

Es ist möglich das Bett alleine zu montieren, aber wir empfehlen es zu zweit zu machen.

Seien Sie darauf aufmerksam, dass das Bett solange es zerlegt ist, sehr empfindlich gegenüber Lackschäden an Ecken und Kanten ist.

Die Montage soll daher vorsichtig gemacht werden.

Achten Sie darauf, die gewindeschrauben NICHT ganz festzuspannen ehe das Bett fertig montiert ist.
