Olfacte Scented Candle Collection

BY MENU

MENU launches Olfacte, a capsule collection of evocative scented candles.

So much more than meets the nose, Olfacte is a candle collection of expertly combined scents designed to ground, arouse and inspire both body and mind. The five fragrances stimulate the senses with natural essential oils, illuminating traditional plants in alluring new combinations.

Chapter's balanced composition features a considered blend of zesty lemon and spicy cardamom top notes grounded with vegetal undertones to set the mood for day or night.

Uplifting grapefruit and fresh mint are offset with subtle arboreal notes of cedarwood and sweet cannabis in **Wet Ink**, a scent to effect a vision or stir inspiration.

En Passant is a moment in time, purifying with floral scents from hyacinth, jasmine petals and geranium and vegetal base notes.

The romantic fragrance of **Private View** connects the mind and body, layering subtle vanilla notes with mandarin zest, smoky palo santo and earthy vetiver.

Midnight Soak bathes the senses in herbaceous fig, lavender and bitter orange to create a deeply relaxing moment of calm.

Free from parabens and phthalates and housed in smoked glass, each Olfacte candle is responsibly made using natural essential oils and plant-based wax. Available in three sizes.

A Sense of Community

MENU has always been fascinated by the way in which individuals and spaces can be united through great design. In our pursuit to craft furniture, lighting and interior accessories shaped by purposeful details, high-quality materials and human needs, we create strong and lasting relations between designers, manufacturers and customers. The sense of community that results from this union of like-minded individuals fosters a deeper sense of belonging – and products that stand the test of time, inviting human connection, inspiration and experimentation to push the boundaries of modern design. We truly believe that when we work collectively, we achieve more than we do individually: the sum of our work and of our connections is always greater than its parts, and our softly minimal designs and collaborative spirit help to join the dots between the home, the workplace and the service industry, redefining how we use space and, ultimately, how we connect to those around us.
